TO WHOM IT MAY CONCERN

As a Body Corporate Manager in the industry for some 18 years my involvement with Diverse FMX since 2006 has been of great assistance to myself and many Body Corporate Committees.

As Facility Managers and Project Managers to several complexes both myself and the Committees receive excellent and invaluable advice and guidance on many issues.

Their knowledge in the building and construction industry and their willingness to assist in every way is a valuable asset.

I have found Lynda Kypriadakis and the team at Diverse FMX to be very competent and a pleasure to work with and would highly recommend their services to future clients.
