To Whom It May Concern

Testimonial from Corah House

I am writing this letter in the capacity of Chairperson of Corah House Woolloongabba, as a personal recommendation for David Ross.

David has been attending to the many facets of the body corporate needs since 2009. He is responsible for liaising with Archers, he checks our property on a daily basis, organises necessary quotes and ensures proper compliance of tasks and works undertaken. He attends all the committee meetings and takes an active interest in the well-being of Corah House.

He performs his duties willingly and without hindrance.

On a more personal note, David has a pleasant personality and he relates to our community in a professional manner.

I trust the information contained within is helpful to your circumstances. If you have any queries, please contact me at your convenience.

Kind regards,

Robert Louie
